Dear Arizona Sportsmen for Wildlife Conservation,

We hope this letter finds you all well. After speaking with Kim Jackson at the Arizona Game and Fish Department, we are pleased to announce that the life jacket loaner stations have been approved through the legal department at Arizona Game and Fish. Stations are scheduled to be completed at Lake Pleasant and Lake Havasu in May 2014. Kim is currently working on approval for Saguaro Lake and others. The Ryan Thomas Foundation is currently in the process of negotiating the best price for life jackets and is scheduled to purchase the life jackets in January 2014 with your generous donation.

We will continue to update Arizona Sportsmen for Wildlife Conservation throughout the process. This project was made possible due to your support and we cannot thank you enough for your generosity.

Have a safe holiday season.

Sincerely,

The Ryan Thomas Foundation
