Jim Unmacht
Arizona Sportsmen For Wildlife Conversation

Dear Jim ,

The Arizona Deer Association would like to thank you for the generous grant of \$2500 for our Junior Deer Camp 2014!

We are proud to report that we entertained a record breaking 31 kids in addition to their entourage, which included parents, grandparents, siblings, uncles, cousins and friends. We served over an estimated 250 meals, which included breakfast burritos or oatmeal or bagels and coffee in the mornings starting at 5:00am. Lunch included hot dogs and cheeseburgers. And dinners included chili, childogs, and cheeseburgers. We enjoyed s'mores around the campfire in the evenings. Also snacks were provided that hunters could take out in the packs during the day.

Each Junior that possessed a Junior Deer Permit issued by AZGFD was given an ADA Hat, ADA t-shirt, water bottle, a handout which gave information on AZSFW and their license plate program. As well as being advised that camp was made possible by grant monies donated by AZSFW. Those Junior hunters were also entered into a free drawing to win 1 of 2 pairs of Vortex binoculars.

We had 10 volunteers, whose duties included setting up camp, registering kids as they entered camp, taking photographs, cooking, keeping the campfire safe and burning, assistance map reading, glassing, and of course hunting.

The monies that you generously donated were spent as follows:

- \$310 for 2 pairs of Vortex binoculars to be given away in a free drawing . (Vortex provided a discount on the purchase of the binoculars)
- \$700 for miscellaneous kitchen, cooking, and camp supplies
- \$360 on fuel and firewood
- \$300 new roadside signs guiding people toward camp
- \$250 water bottles/give aways
- \$1200 food

As you can see we did exceed the \$2500 in which The ADA contributed our own money.

The ADA feels this has been our most successful Junior Camp yet and we look forward to being able to partner up with you again the future!

Sincerely,

David Bruns
