

2013 Wildlife Conservation Fund Project Completion Report

Shoot Right – Archery Camp & Hunter Education Equipment

In April of 2013 Shoot Right was awarded \$2700 to obtain archery equipment, and structural needs to develop an indoor archery range. Over the course of the year Shoot Right held over a dozen archery camps and clinics, impacting approximately 150 participants. As well, Boy Scout merit badges were achieved by 30 scouts. In January of 2014 Cub Scouts hit the range to obtain their archery belt loop.

Shoot Right made the archery range available to the public in many ways. Other instructors used the range to hold private and public lessons. Birthdays parties were held, giving some families their first archery experience. The range was taken on the road to the International Sportsman's Expo in Glendale, AZ. Shoot Right spent four days at the ISE teaching ages eight and above an intro to archery.

Shoot Right's indoor archery range has been enjoyed by many, and has met the needs of various programs and organizations.
